BARRY STEPHENS, NO. 11, CARRIES THROUGH LONG BEACH LINE

Tigers Grab Title

Peterson Adds Winning Point

Appointment gave way to frenzy in the Bay High Friday night at Long Beach when LaFrance charged in an eight-man Bearcat game, came from nowhere, snagged the ball on the goal line and ploughed to the 19.

Fullback Bill Watts got 2; LaFrance was stopped at the line of scrimmage; Watts picked up 7 and on fourth and 1, punted to his 49.

Gas Main Completed

St. Louis's program of replacing defective gas mains completed Friday, according to John Seaford, because the work has not been received.

St. Louis's program of replacing defective gas mains completed Friday, according to John Seaford, because the work has not been received.

Garbage Pickup Changed

There will be no collections in Bay St. Louis on Friday, Mayor John Seaford announced.

TIDES

HIGH	LOW
9:26 a.m.	7:54 a.m.
10:43 p.m.	9:27 a.m.
11:13 a.m.	10:20 a.m.
12:07 p.m.	11:13 a.m.
12:55 p.m.	12:07 p.m.

Marched to the Tiger 16 and it looked bad for Bay High when Pete Allen's pass into the end zone appeared good but LaFrance, playing a magnificent game, came from nowhere, snagged the ball on the goal line and ploughed to the 19.

Bobby Van Calsem took the kickoff and was downed on the 30. Watts uncorked a beautiful pass to the anxious arms of end Milton Bernard who got to the Long Beach 30. Watts took the handoff from quarterback Ronnie Peterson and went for 3, then around right end for a first down on the 17. Peterson tried the right side and got 1; LaFrance lost 3 and it was third and 12 as the quarter ended.

Hancock Bank Sends Christmas Savings Checks

Several hundred Hancock County residents are among the 4,693 individuals to whom the Hancock Bank yesterday mailed \$434,544.13 of Christmas cheer, according to Leo W. Seal sr., of Bay St. Louis, president of the bank.

Seal observed that the amount of savings broke the previous record high of \$403,134 set last year, and that the number of members was also a new high. Since 1949 the savings club, started in 1914, has almost doubled in amount of savings.

Seal said the 1960 Christmas savings program will begin next Monday.

Echo to Close For Holiday

This week's edition of the Echo is a day early and members of the staff will enjoy a long Thanksgiving weekend. The office will be closed until Monday.

Happy Thanksgiving!

CONGRATULATIONS! — J. D. McCulloch, superintendent of the Bay St. Louis separate municipal school district, congratulates Bay High tackle, James Mayfield, voted Gulf Coast Conference outstanding linesman, and Coach Lance Lumpkin, shown with Bay High's championship trophy, after the Long Beach playoff Friday night.

Taylor Well Strike Opens New Oil Field

Land that has been on the market for more than two years paid off for Mr. and Mrs. Fred C. Taylor of New Orleans when drillers struck oil about 12 miles northwest of Bay St. Louis, just off the Kiln Road, Saturday night.

The well opens up a new oil field, the second in the county and one of the few in Mississippi's coastal counties. The other is at Ansley.

The new field went into production Saturday night. Drilling was done by Marshal R. Young, independent operator, who also discovered the Ansley field. It is the Young No. 1 Jourdanacres Ranch wildcat in section 35-7S-15W on the Texas Flat Road about a mile from the Kiln Road.

The Southeastern Oil Review reported that tested on 6/64 inch choke, the well was flowing Monday with 925 pounds flowing tubing pressure. No water was being recovered although oil sand is immediately underlain by a thick water section.

Production is from the top one foot of Cuevas sand of Washita-Fredricksburg through perforations at 10,287-288 feet. Gravity of crude is 35 degrees. Sidewall samples confirmed oil.

NEW CHAMBER OFFICERS — Hancock County Chamber of Commerce officers elected last night for 1959-60 are from left, seated, the Rev. Charles Johnson, vice president; A. G. Dentagann, president; and Mrs. John Green, secretary-manager. Standing are board members James DeBlanc, Fred Quint, Alden Mauffray, Hardin Shattuck, Warren Carver and August Seaford.

\$645,000 Budget Adopted by Council

12-Year-Old Youth on Bicycle Is County's 14th Road Fatality

Final rites were at 9 a.m. Monday for Paul Thomas Lombardo, 12, who was fatally injured Sunday night when his bicycle was struck by an automobile on Highway 43 one mile north of the U.S. 90 intersection.

The death is Hancock County's 14th in a rising accident toll.

Young Lombardo was riding his bicycle north on Highway 43 when struck by a north-bound auto driven by Randolph Necaise of Rt. 1, Bay St. Louis, according to Patrolmen William Kenny and Fred Curet.

Necaise told patrolmen his automobile was within a few yards of the bicycle when it suddenly veered into the path of his car. No charges have been filed against Necaise.

The youth was rushed to Hancock County Hospital where he died approximately 15 minutes after arrival.

A student at Bay High School, he was the son of Mr. and Mrs. Sam P. Lombardo. The family residence is located on U.S. 90 about 15 miles west of Bay St. Louis.

Besides his parents, he is survived by three brothers,

PAUL THOMAS LOMBARDO

John, Michael and Timothy; three sisters, Gloria Ann, Jackie Marie and Margaret Jane; the paternal grandfather, Angelo A. Lombardo of Bay St. Louis; and the maternal grandparents, Mr. and Mrs. William Henley of Pearl River, La.

Services were at Fahey-Whitfield Funeral Home with religious rites at St. Joseph's Catholic Church, Pearlington. Burial was in Pearlington Cemetery.

Bay Woman Among Parchman Escapees

Two of the four convicts who escaped from the state penitentiary at Parchman early Monday morning were captured by state highway patrolmen in a motel at Durant at about 10:55 p.m. Tuesday.

A Bay St. Louis woman, Mrs. June Marie Jeanfreau, 22, with only three months left of a year's sentence for bigamy, was the only woman in the group. Captured with her was James Corley, 29, of Carrollton, who was a trusty serving seven years for burglary in Quitman County.

The other two escapees, patrolmen reported, were in the

motel also but sped away in a gray automobile with highway patrolmen pursuing them.

They were identified as Jackie Chism, 21, of Amor, serving a ten year sentence for robbery in Lowndes County, and James David Hale, 18, of Glenwood, five years for robbery in Lowndes County.

Mrs. Jeanfreau was sentenced Feb. 23 by Circuit Judge Leslie Grant after she revoked a three-year probationary period. She was placed on probation for bigamy on March 25, 1957.

McFarland, Clermont Water Cases Taken To Supervisors

In a conference with Dr. W. L. McFarland Monday morning Hancock County supervisors apologized for any apparent discourtesy shown toward him by not formally answering a letter written to the board asking about tax assessments on Gulf View Haven.

Dr. McFarland said he wanted to clear up any feeling created last week at the Chamber of Commerce banquet when he stated that both the city council and the board

of supervisors had not answered his letter written in early June of this year concerning Gulf View Haven and its tax assessments. He explained that he intended to point out at the banquet that when the county and city have new businesses which write and request information the letters should be acknowledged.

Dr. McFarland added that he had no animosity toward either group, but that the same thing happened with both groups and

"It left me thinking that they had ignored me. It wasn't a tremendously important thing," he said.

Clerk A. C. Mitchell noted that the board doesn't personally answer letters inquiring about tax assessments and added that McFarland was sent a form letter stating when the rolls were open for public examination.

The supervisors invited him to appear when the tax assessments come up again.

The supervisors agreed to investigate tax assessments on the Clermont Harbor Waterworks which states assets at approximately \$70,000, and were only assessed by the county \$400 for machinery and equipment, according to J. P. Rousseau of Clermont Harbor.

Rousseau argued that when the waterworks became a utility in 1956 it was subject to county tax assessments because it gave intracounty service. He added that Secretary of State Heber Lader had confirmed this point.

Rousseau added that the franchise did not give the utility permission to move pipes onto personal property and the board added that the utility had never received easements to move

School Building Work Accounts for Increase

A budget totaling \$645,948.50 has been adopted by the Commission Council of Bay St. Louis for the fiscal year ending Sept. 30, 1960. This amount includes operation of the city, the water works, the natural gas division, and the Municipal Separate School District.

This budget is almost \$50,000 more than last year's. The largest part of the increase is accounted for by the school district, an additional \$15,000 being allotted for operation and approximately \$13,000 is required for repayment and interest on the \$185,000 bond issue authorized last year.

Capital acquisitions and improvements account for an estimated \$40,000 of the total and

a reserve for depreciation for the natural gas division of about \$50,000 is included. Details are set forth on Page 7.

Capital acquisitions contemplated are a new police car and fire hose and miscellaneous equipment for the fire department. The only major capital improvement included in the budget, according to council, is the laying of 6,600 feet of eight-inch water main from the Leonard Avenue well to the intersection of U. S. 90 and Dunbar Avenue. The new line will replace the present two inch main.

Also included in the budget is an expenditure of \$1,400 for consultant fees on city planning. This project is predicted on the city receiving equal matching funds from the federal government under a program designed to assist smaller cities in obtaining this technical assistance, and an equal amount would have to be spent during the next fiscal year.

To avoid a greater increase in taxes the revenue allocated for operation of the city was based on a 12 mill rate, rather than the 15 permitted, out of the 36 1/2 mill levy and the other three mills of tax were added to the funds available to the Separate Municipal School District, commissioners said. To help make up this revenue loss to the city, they added, \$8,000 of the funds of the natural gas division were transferred to the general city fund. This is now possible since all the bonds of the gas division have been retired.

Another Mishap Listed at Main And U.S. 90

Another accident was added to the increasing list of stop light mishaps at U. S. 90 and Main Street when an auto stopped for the light and was hit in the rear by two other vehicles at 5 p.m. Nov. 18, according to investigating state patrolman William P. Kenny.

A 1960 Chevrolet operated by Richard Walsh of Corraux, Calif., was struck by a 1958 International pickup truck driven by Prentiss Berry of Bogalusa, causing a 1948 Packard with house-trailer driven by Franklin Fairfield of Gulfport, Fla., to hit the rear of the truck. Damage to the Packard was estimated at \$150, the Chevrolet at \$25, and the pickup truck at \$75.

New Oyster Rule Has No Effect Here

A resolution permitting smaller oysters to be caught on the Pass Christian tonging reef will not affect commercial fishermen in Bay St. Louis, according to two prominent seafood dealers.

Adopted by the Mississippi Seafood Commission in Biloxi Tuesday morning, the resolution was passed after Biologist William Demoran of the Gulf Coast Research Laboratory pointed out that the abundance of oysters on the reef is creating a crowded condition plaguing the growth of the oysters.

The new regulation will go into effect Dec. 1.

Thanksgiving Day Masses Are Listed

Thanksgiving Day masses at Our Lady of the Gulf Catholic Church are scheduled for 6:30, 7:30, 8:30, and 10:30 a.m. according to the Rt. Rev. Msgr. Martin Moloney.

A mass will be said at St. Clare's Catholic Church, Waveland, at 8 a.m.

THANKSGIVING TREAT — Mr. Gobbler is a little wary of the admiration of little Debra and Gene Bermond, children of Mr. and Mrs. Harold Bermond of Arnold Avenue. Maybe he is wondering what will be the main course of their Thanksgiving dinner. The fine bird was raised on the Sylvestre Favre farm.

Do You Care?

It being Thanksgiving it is appropriate that Hancock County be appreciative of the 12 blood donors who turned up at Kiln last week. The technicians from the Oschner Foundation Hospital, who gave a day of their time to sit around with nothing to do, might magnify their generosity enough to be thankful.

What of those who will need blood during the coming weeks—weeks including traditionally dangerous holidays, when the likelihood of accidents is great with a consequent greater need for transfusions? The Hancock County Blood Bank doesn't have any blood to its credit. If they are among the large number who have donated in the past, or tried but for some reason couldn't, should they be thankful when none is available when they need it?

If they are among the apparently greater number who won't bother to give a pint, should anyone care?

Let's Get Going

At the Chamber of Commerce dinner last week Mr. John Wise of Hazlehurst told of some of the steps taken by the chamber of that town in successfully going about attracting small industries. One of them, a labor survey has been done in Hancock County and we understand there are plans for an industrial survey.

However, one of the first things Hazlehurst did was to raise \$50,000 for a development corporation to help initial financing of small industries. At present Pass Christian is trying to raise a similar sum to assist its major, though small, industry. Though similar local development corporations have been set up in many cities, it is of note that these two communities are smaller than Bay St. Louis. In addition they have less businesses to benefit economically from new industry than does Bay St. Louis.

Hope the citizens and businesses of Hancock County or Bay St. Louis will take some similar step soon. Being bigger, let's aim at \$100,000 as a start.

They Did It

Hot Ziggity and Rah! Rah! Rah! Congratulations to the football squad of Bay High. Not only did they win the conference championship the first year, they showed they had the kind of stamina to come from behind against the sports writers' choice.

Congratulations to Coach Lance for an obviously fine job, and a special "hats off" to Jim Mayfield, the conference's Lineman of the Year.

Viciss From Other Newspapers

Gov. J. P. Coleman at the recent Asheville conference of southern governors pointed out that although Mississippi as a state is almost 100 years older than Oklahoma it has yet to create a central purchasing agency, as was done recently in the latter state.

The agency is saving millions of dollars annually for Oklahoma, Gov. J. Howard Edmondson said, by coordinating purchases, taking advantage of mass buying and eliminating petty chiseling and graft.

Such an agency could save millions of dollars a year for Mississippi, too, and coupled with reorganization of our overlapping, duplicating multitude of state board could in savings alone give us the money we need for schools and a dozen other under financed state functions.

Oklahoma's young chief executive, who at 34 was the youngest governor at the conference, had some remarks to make, too, on the hypocrisy of his own state's prohibition laws which were recently repealed in a referendum leaving Mississippi the only so-called "dry" state in the Union.

Oklahoma had the same situation that exists today in Mississippi, he said. Although they didn't have a state tax on the illegal sale. There were many areas where substantial numbers of people did not want prohibition. As a result, he said, local law enforcement agencies were prone to live by majority opinion.

Only answer to that, he added, and the only way to bring about a change was enforcement at the state level which was done by blanketing all parts of Oklahoma with a state police force. This did not entirely eliminate bootlegging but it did make it high. As a result the referendum brought a change in the votes of those "wet" who had been satisfied with the old system of non-enforcement and had voted "dry" in previous referendums. Enforcement prior to the referendum brought out more

voters than for either Democratic primary, he said.

What has been the result of repeal so far in Oklahoma?

It has brought about a higher general respect for all laws and wiped out one prime source of graft among law enforcement officers. "Bootlegging and graft had become an accepted factor of political life," Edmondson said.

Seems to us Mississippi could very profitably adopt the Oklahoma plan to end a disgraceful situation in our own state. Pascagoula CHRONICLE STAR.

County Just Short of U.S. Bond Quota Already

With two months remaining in 1959, Hancock County stands at 99.09 per cent of its U. S. Savings Bond sales goal for the year, according to latest figures from the Federal Reserve Bank.

This places it 16th highest among the 82 Mississippi counties. A number of counties already have topped their quotas for 1959.

With Bay St. Louis Postmaster Andrew J. Becker as county sales chairman, Hancock residents bought \$10,812 worth of savings bonds during October, bringing sales for the first 10 months of the year to \$69,368. The goal is \$70,000.

Meanwhile, U. S. Savings Bond officials report October purchases showed the first effect of the recent improvements in the terms of Series E and H bonds which became effective last June 1.

All outstanding bonds were given the same benefits as were applied to new purchases. The overall rate was increased 3 per cent, — the greatest single increase ever made in bond terms. A blanket guarantee was given for a 10-year extension privilege for all Series E bonds, whether old or new—thus making it possible for owners to build specific and guaranteed re-

From Our Files

ByGone Days

10 YEARS AGO

Nov. 25, 1949—Last Saturday a group of five Bay St. Louis men visited Hattiesburg to inspect the farmer's market there with the possibility of establishing a similar market in the Bay.

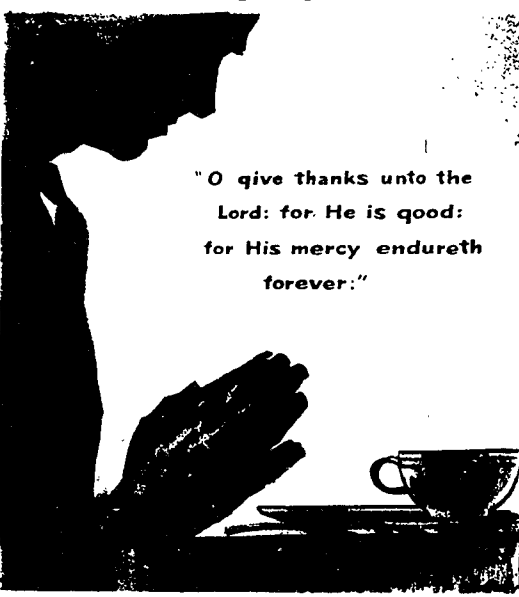

Those making the trip were W. S. Moore, president of the Lions Club; H. H. Shattuck, president of the Chamber of Commerce; Howard Simmons, county agent; Hugh Eggerton, county administration office for PMA, and Warren Carver, mayor.

25 YEARS AGO

Nov. 23, 1934—At the recent annual conference of the Methodist Church in Mississippi when appointments were made for the new year, it was gratifying to subsequently learn that our own Rev. J. E. Gray has been re-assigned to Main Street Methodist Church for his third year. Rev. C. C. Clark, whom Rev. Gray succeeded, also has been re-assigned to Waynesboro.

When formally admitted to the Union, Hawaii will rank 47th in size, 44th in population.

Thanksgiving, 1959

Plant Tree Seedlings Now

Planting tree seedlings is the quickest known way to put land into timber production, said Area Forester Marion Parker of Hancock County.

Parker observed that with an investment of \$4.80 or less per acre, landowners can begin timber production on their idle or unproductive lands. Overall cost of tree planting ranges from \$10 - \$15 per thousand seedlings and under the 1960 ACP Program, the government will reimburse the landowner up to \$9 per thousand seedlings planted. Therefore, Parker said the net cost to the landowner should be \$6 or less per thousand seedlings planted.

Since only 800 seedlings per acre are normally needed, the per acre cost should be \$4.80 or less per acre. Thus, for a net investment of less than \$4.80 per acre, a landowner can convert idle land to timber production which should produce on the average one cord per acre per year.

Some areas will produce more growth while others will produce slightly less growth than the above due to variations in location, soil, drainage, competitive vegetation, etc. Landowners may realize their first income from thinnings for pulpwood at the age of 12-15 years.

It is necessary for the landowner to secure prior approval for cost sharing. This is done by contacting the County ASC Office Manager. All agricultural workers in the County have helpful information that will assist those desiring to plant trees.

Some Thoughts for the Driver As Holiday Season Nears

DWI and HBD probably don't sound too ominous to the uninformed, but the initials annually mean death to many. They are the police designations for drivers who have been drinking, HBD means "Had Been Drinking" and DWI, "Driving While Under the Influence." In Canada the last two letters stand for "While Intoxicated," or "While Impaired."

Legally, the blood alcohol level must be .15 per cent or above, for the driver to be judged intoxicated, unless there is corroborating evidence. Chemical testing devices, such as the Drunkometer, determine the amount of alcohol in the subject's breath, which is translated into the level of blood alcohol.

Unfortunately, a more serious problem than the out-and-out drunk, is the person whose judgment is impaired at much lower alcohol levels than the .15 per cent. The social drinker, for instance, after the second bottle of beer or second shot of whiskey, may just be approaching a blood alcohol level of .05 per cent — one-third of the minimum legal limit for intoxication — and yet have reached a definite state of judgment impairment.

Different individuals burn up the alcohol faster, and have varying tolerances to it. Generally speaking, a 150-pound adult turns up about two-thirds of an ounce of alcohol an hour — or the amount in one ounce of whiskey or one bottle of beer.

Chemical testing has gone a long way toward making HBD and DWI convictions stick, but in most cases public apathy has cut down its effectiveness. Juries are reluctant to bring in a decision that means the stiff penalty usually connected with such a conviction.

Some cities such as Milwaukee, Wis.; Fresno, Calif. and Tucson, Ariz., have been fortifying chemical tests with sound-

and-color movies of the accused, showing his behavior at the time of his arrest.

Tucson got 36 convictions in its first two months without a single "not-guilty" plea. The reason: after the defendant and his attorney see the film, they prefer a plea of "guilty" to having it shown in court.

Most needed in trimming HBD accidents and fatalities, experts say, is a general realization of how little alcohol it takes to make a driver unsafe. The respectable citizen who takes a few drinks "socially" would do well to stay under the one-ounce-per-hour formula, make the one for the road coffee, and if necessary, take a taxi.

Mr. and Mrs. Leon Dierfick had as their holiday guests their son-in-law and daughter, Mr. and Mrs. Anthony Carona and children, Dan and Vellie, of New Orleans, and Mrs. Dierfick's brother and sister-in-law, Mr. and Mrs. W. E. Molins, Jr. and daughter, Ann, of Hattiesburg.

Mrs. Winfield Partridge, who has been residing at Evansville, Ind., has returned to make her home at Bay St. Louis and has moved into a home in Sycamore St.

Mrs. William G. Gaudet has been visiting relatives at Philadelphia, Penna., and is now at Miami, Fla. where she is the guest of her daughter.

Mr. and Mrs. C. C. McDonald, Jr. and Mr. and Mrs. W. P. McCutchen were hosts to the Twenty-Five Couples Club during the monthly dinner Saturday evening in a Henderson Point restaurant.

Mr. and Mrs. Joseph Church and children spent the holidays at New Orleans where they attended the wedding of Miss Penelope Miller and Mr. Terrell Randolph.

Mrs. Herace Farr has been released from Hotel Dieu at New Orleans where she was a medical patient.

Weekend house guests of Mr. and Mrs. William E. Monroe were Mr. Monroe's mother, Mrs. Bradford J. Monroe of New Orleans, and his grandparents, Mr. and Mrs. W. W. Thompson of Pascagoula. His sister, Miss Margaret Monroe, on holiday from Fortier High School in New Orleans where she is a senior, arrived Monday to spend a few days with the Monroes.

Mr. and Mrs. Louis R. Wyman celebrated their 62nd wedding anniversary Sunday with a family gathering, receiving many letters and telegrams of congratulations and presents for the occasion. Joining them from New Orleans were her sister-in-law, Mrs. B. F. Cotton, and cousin, Mrs. Ida Manners with her son, Dr. Jim Manners, and daughter, Mrs. A. J. Davis and Mr. Davis, Capt. and Mrs. Fred Deal of the Bay joined the group for dinner. The Wyman's daughter is Mrs. A. J. Kloven of San Diego, Calif., and her son, Jan, is a student at UCLA. There are many nieces and nephews in addition. Joining the couple for Thanksgiving will be his cousin, Frank Haight of Baton Rouge.

Mr. and Mrs. Carl von Metzradt will have as Thanksgiving guests Mr. and Mrs. Arthur Kahn of New Orleans. They will return with the Kahns for a stay there.

Miss Kimmel Plans Wedding On Saturday

An event of the weekend will be the marriage of Miss Linda Ann Kimmel, daughter of Mr. and Mrs. Edward Earl Kimmel of Bay St. Louis, and Edward Daniel McCrystal Jr., son of Mr. and Mrs. Edward Daniel McCrystal sr. of Royal Oak, Mich.

The ceremony will take place at 9 a.m. Saturday at Our Lady of the Gulf Catholic Church, followed by a reception at the Kimmel home at 319 Leonard.

A miscellaneous shower honoring Miss Kimmel Nov. 15 was given by Mrs. Herbert Cardin, Mrs. Carl Banderet and Miss Carol Johnson. Mrs. Jules Poolson and Miss Myrna Poolson were hostesses at a lingerie shower Nov. 20, and the Misses Barbara Bailey, Gail Colson and Phyllis Arnold honored Miss Kimmel with a kitchen shower Nov. 21.

MR. AND MRS. JOSEPH KERN

Miss Mitchell, Mr. Kern Wed in Saturday Ceremony

Arrangements of white gladioli, mums and pompons against a background of palms banded the altar of Our Lady of the Gulf Catholic Church for the wedding at 3 p.m. Saturday of Miss Janelle Martha Mitchell and Joseph Emilie Kern.

The Rev. Keyin Reid officiated at the double ring ceremony. The bride is the daughter of Mr. and Mrs. A. C. Mitchell and the groom is the son of Mr. Joseph Kern and the late Mr. Kern.

Given in marriage by her father, the bride was attired in a magnolia white gown of pure silk organza over duchess taffeta fashioned with a softly rounded neckline, long sleeves and a tightly fitted bodice. Alencon lace trimmed the neckline and medallions of the lace in a floral pattern caught the fullness of the skirt at the sides. The full skirt extended into a court train. Her fingertip veil of imported illusion fell from a small Alencon lace cap and she carried a star-shaped bouquet of feathered fugi mums and white roses centered with a white orchid.

The bridesmaids, the Misses Patricia Blaize of Bay St. Louis and Sigrid Boulmoy of New Orleans, were in emerald green gowns with bouffant skirts and a large bow at the front. Their headpieces of veils with tiny bows were of the same shade and their cascade bouquets were of feathered bronze fugi mums with English ivy and oak leaves.

Leigh Ann Russo Marks 3rd Year

Leigh Ann Russo, daughter of Dr. and Mrs. Walter C. Russo, celebrated her third birthday last Friday with a morning party at her home on Dunbar Avenue.

Invited to share the occasion with her were Caffey Lee Ramsey, Melli McDonald, Stephen Winnard, Susan Chapman, Carlene Murphy, Kimmie and Doris Merritt, Darlene Pinnell, Yvonne Foley and Joni McEuen.

Entertain Patients

St. Margaret's Daughters and Altar Society were hostesses for the monthly party given for patients at the Veterans Administration Hospital in Gulfport at the Youth Center Tuesday afternoon.

Waveland Notes

BY CECILE TURCOTTE

HO-7-4459

Mrs. Edwin Cobb of Spring Vale, Ga., who is visiting her son and daughter-in-law, S/Sgt. and Mrs. Bill Cobb at Kessler Field, was the weekend guest of Mr. and Mrs. Ducre Bourgeois.

Mr. and Mrs. Adolph d'Aquin have returned from Gretna, La., where they spent several weeks with relatives due to the illness of Mrs. d'Aquin. Mrs. d'Aquin is able to be out once again.

College students arriving home on Wednesday to spend the Thanksgiving holidays with their families are Ronald Russell, Miss. State, Norman Souder and Bob Hubbard, Pearl River Junior College.

Miss Lillian Mestayer and Mrs. E. B. Means of New Orleans were weekend guests of Mr. and Mrs. James DeBlanc.

Mrs. Dorothy Wiedman spent Sunday at New Orleans as the guest of Mr. and Mrs. Marcus Eichhorn.

Happy birthday to Charlotte Carwell, daughter of Mr. and Mrs. John Carwell, who celebrated her seventh birthday at a family gathering Monday.

Mrs. R. S. Kramer has returned from Jennings, La., where she attended funeral services for Joseph and Donald Segura, who were killed in an automobile accident Saturday.

Mr. and Mrs. Eddie Fayard

Miss Rossignol, Mr. Bourgeois To Wed Dec. 6

Mr. and Mrs. Roland Rossignol of New Orleans and Waveland are announcing the engagement of their daughter, Beulah Mary to Sidney L. Bourgeois of Waveland.

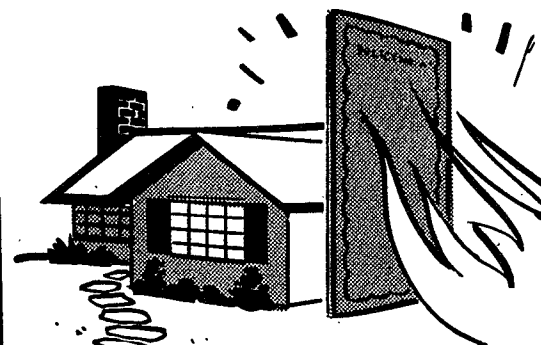

The wedding is to take place Sunday, Dec. 6, at St. Clare's Church. It will be a quiet ceremony with Miss Emily Rossignol, aunt of the bride, as her only attendant.

A small reception will follow the wedding. Miss Rossignol attended Our Lady Star of the Sea in New Orleans and Mr. Bourgeois attended local schools and is in business in Waveland.

Shower Honors Miss Benigno

Miss Domenica Rose Benigno, bride-elect of Edward William Carriere of Winsboro, La., was at a miscellaneous shower given Sunday afternoon at the Youth Center by her aunts, Mesdames Sylvester Benigno, John Benigno, Gloria Benigno, Norman Benigno and Joseph Cacoppe.

CLERK OF THE BOARD OF SUPERVISORS (SEAL) 11/26, 12/3, 12/10, 12/17

If you can't replace what a fire destroys, you need more insurance!

If you don't have enough insurance on your home—and seven out of ten homeowners don't—a fire could mean serious financial loss for you. Call us now for a complete insurance checkup.

Hancock Insurance Agency
114 Main St. HO 7-4691

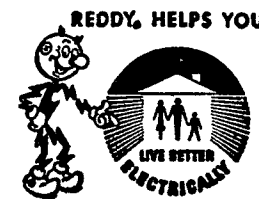

Let us give thanks

Dear Father, as we bow our heads in thanks For these Thy gifts so bountifully bestowed: Our daily bread, and work that satisfies, And love that lights the way and shares the load—

Help us to look beyond the feast for ways To bring all men the blessings that we know— Thy peace, and freedom to enjoy its boons; To move, unchallenged, safely to and fro,

Freely without fear to speak and teach, To worship Thee as conscience points the way. Lord, give us grace to know how blest we are And make our lives one long Thanksgiving Day.

HS-SJA Split Cage Contests

1959-60 basketball season into high gear Tuesday when the Bay High and St. Joseph Academy girls splitting the Academy in the Academy. St. Joseph won the feature while the Bay High lasses lost 34-30.

Bay High was led by Doring who led the scoring in both games.

Well . . .

(Cont. from Page 1.)

Without workers are erecting tanks. The well completed from only one foot of sand. The sand was 10,921 to 10,292 feet. The sand water content was 10.5 percent. The sand was pure pipeline sand. The sand was expected to gauge 30 gravity or higher. The sand location on the new field is about 16 miles northwest of the Ansley. The sand is also has hold which is producing gas.

John Horlock

John Horlock died Tuesday at Charity Hospital at New Orleans where she had been a patient for two weeks.

Services will be at 9:15 a.m. from Fahey-Whitfield Home followed by religious services in Our Lady of the Catholic Church.

former Gloria Mauffray, survived by her husband, Horlock, and a daughter, both of Bay St. Louis; a son, John Horlock Jr.; three daughters, Patsy Horlock, Mrs. Robert Horlock, Mrs. Robert Horlock, Worcester, Mass., and Frank Galus, Drexel Hill, Pa.; her parents, Mr. and Mrs. C. D. Mauffray, Bay St. Louis; her sisters, Mrs. Verda Mauffray, Bay St. Louis; her brothers, Wilson Mauffray, U.S. Army, Idaho; Conrad Mauffray, Bay St. Louis; Ulman Mauffray, Chicago; and Wayne Mauffray, Gulfport.

The St. Joseph varsity squad played a bang-up game and observers believe they will go far in the conference. High scorer for the "A" team was Mary Jo Krieger with 28, Elizabeth Krieger scored 21 and captain Frances Matherne 9. For Bay High Doring, led with 29, Arlene Ladner made 10, Carol Bourgeois 7 and Virginia Breland 4. Breland did a good job replacing Nita Kay Erwin at guard who fouled out early in the second period.

High scorer for the Bay High "B" team was Doring with 18, and Glenda Kennedy was runner-up with 9. With the score tied in the second quarter Jo Ann McCulloch came through with a long shot from the center of the court to put the Tigerettes ahead. Leading scorer for St. Joseph was Yvonne Artigues with 10, George Steltz made 7 and Cassie Rhodes 6.

Monday night St. Joseph Academy will host the girls from Pass Christian High and Tuesday Bay High will have their turn at the boys and girls from the Pass in the Tigers' gym.

Coach Seymour will select this starting quintet from a formidable squad that includes Bill Watts, Barry Stephens, Paul Miller, Ronnie Peterson, Gregory Necaise, Tommy Godwin, Woody Alliston, Milton Bernard, Lester LaFrance, Leo Greco, Tommy Johnson, Ronnie Russell, Warren Traub, Gary Byrd, James Bliss and Glen Dorr.

Episcopal Men

Meet Here Sunday

The Advent Corporate Communion for men and boys of Christ Episcopal Church will be at 7:30 a.m. Sunday morning.

A breakfast will follow in the Parish House.

water pipes.

The board confirmed plans to advertise for construction bids this week on the proposed \$24,000 health center after Mitchell reported final action on the land deed would be completed this week.

Repairs on a T500 grader were approved after Melvin Jolly, representative of Mississippi Road Supply Co. of Jackson, advised that the machine had approximately 2,000 work hours on it and two years of use. He explained that repairs could not be classed as an overhaul.

Mitchell was requested to write Perillat and Rickey, contractors for the new hospital, and architect Wilfred Dawson that a construction worker had damaged the hospital water tank motor while running it without water. Supervisors said that they were under the impression that the worker was a representative of the water tank motor factory when he had requested permission to use the motor.

Supervisors said that they were under the impression that the worker was a representative of the water tank motor factory when he had requested permission to use the motor.

Repairs on a T500 grader were approved after Melvin Jolly, representative of Mississippi Road Supply Co. of Jackson, advised that the machine had approximately 2,000 work hours on it and two years of use. He explained that repairs could not be classed as an overhaul.

Mitchell was requested to write Perillat and Rickey, contractors for the new hospital, and architect Wilfred Dawson that a construction worker had damaged the hospital water tank motor while running it without water. Supervisors said that they were under the impression that the worker was a representative of the water tank motor factory when he had requested permission to use the motor.

bay hi news .. Agriculture Census Questionnaires Sent

Last week, being 6 weeks test week, there was a strange feeling of tension in the unusually quiet halls. Students were seen with books in hand and crossed fingers. Everyone is happy this ordeal is over and report cards will be issued Monday following Thanksgiving holidays.

Saturday, Nov. 20, The Future Homemakers of America had the annual meeting of Block 3, sub-district C, in Bay High Auditorium. Theme of the program was "Growing by Degrees". Pat Tindel, F. H. A.'s State President, spoke at the meeting. Bay High students participating in the program were Jo Ann McCulloch, Ripple Rausch, Nita Kay Erwin, Dona Wiggins, Gloria Kimmel and Virginia Breland.

Mary Alice Kingston, Rose

Ann Thomas and Dale Sellick who went with the Catholic Youth Council to Kansas City, arrived home Monday, Nov. 16. They reported a wonderful time. They heard Cardinal Cushing speak and met television comic, Danny Thomas.

Friday was "Leisure Day". Many girls were seen in slacks or slim jims in preparation for the Play-off with Long Beach. There was much enthusiasm at the Pep Rally Friday afternoon as the band played and the cheer leaders led the student body in noisy, but confident cheers. The stage was gaily decorated with names of the football players for the occasion.

Sheer jubilation reigned as Bay-Hi defeated Long Beach 20-19, in the 4th quarter tension mounted with the score 19-13

in favor of Long Beach and with four minutes remaining Lester LaFrance gained a much needed 4 yards putting the Tigers out in front. The victory was doubly sweet. Not only did it give Bay High the Conference title, but in defeating long time rival Long Beach, Bay Hi received the "lagniappe".

At Oklahoma Post

Army Pvt. Herbert E. Williams, son of Ivory H. Williams, 426 Webster St., is receiving eight weeks of advanced individual artillery training at The Artillery and Missile Center, Fort Sill, Okla.

He entered the Army last August and completed basic training at Fort Jackson, S. C. The 20-year-old soldier attended Valena C. Jones High School,

Farm census questionnaires were mailed to all farm operators in Hancock County as the 1959 census of agriculture got under way Nov. 18.

The census takers will visit all local farms to collect the questionnaires and, if necessary, assist the farmer in filling out the report form.

This census is the 17th in a series of nationwide farm censuses, the first of which was conducted in 1840. The Census of Agriculture is taken at five-year intervals to provide up-to-date statistical information about the nearly five million farms which supply food and raw materials for manufacture of goods used by the people of the United

States, now numbering about 178 million. The current census will yield information on the number and size of farms, acreage and harvest of crops, livestock production and inventories, selected farm facilities and equipment and selected farm expenditures.

All information about individuals and their farm operations furnished to the Census Bureau is held in absolute confidence under federal law. It is used only to provide summary figures such as totals, averages, and percentages. The information on an individual report cannot be furnished to any one other than sworn census employees and thus cannot be used for investigation, taxation, or regulation.

Mrs. Gertrude Banderet, erect dwelling on DeMontluzin Street, \$2,500.

John McDonald, erect small dwelling on Ward, \$4,000.

Good Fishing

God has been good to the Mississippi Gulf Coast. He planted it with virgin forests, drenched it with sunshine and showers and drained it with ever-flowing streams. And He filled the sea into which the rivers flow with fish.

The Mississippi, the Pearl, the Jordan, Wolf, Biloxi, Tchoutacabouffa, Escatawpa and Pascagoula Rivers, along with countless creeks that empty into the bays and the Mississippi Sound, provide one of the world's foremost feeding and breeding grounds for fish. An increasing number of sportsmen are finding this to be a fisherman's paradise. Fishing has always been good in these inviting waters.

And for years many fishermen who go down to the sea in their boats have made a good living in these parts in the oyster, shrimp and fish business, and still do. What comes out of the sea is our richest natural resource, for it is inexhaustible. With some forethought, protection and encouragement, oysters, shrimp and fish replenish themselves, and will continue doing it as long as the tides ebb and flow and the rivers run.

Every community that prospers in a big way capitalizes first on its natural resources to take full advantage of its opportunities.

Great strides are being made in the seafood industry. More efficient fishing methods have been developed, progress has been made in refrigeration and processing. Markets have multiplied, and the peculiar habits of fish are being studied and better understood.

Oyster beds may be restored, the reefs protected and the yields increased. Shrimp can be made to multiply through seasonal conservation. The useless raids on fish may be avoided.

As we seek new industries, added payrolls and increased prosperity on the Mississippi Gulf Coast, why not look to the sea which gives up its wealth in perpetual abundance. To resourceful men of vision there are as big fish in the sea as have ever been caught.

A promising future lies over the horizon for those willing to work and cooperate with each other and nature to build on these shores a major industry in the seafood business. We conserve to prosper.

WE WON! — Bay High Tigers and cheerleaders race onto Long Beach's field for a round of backslapping and handshaking at the final whistle of the conference championship play.

Horseback Square Dance Is Sunday Show Feature

A novel square dance on horseback by the Lazy Y Rebel Riders and an exciting exhibition by the Jefferson Parish Drill team led by Capt. Beau Nolon will highlight the benefit horse show sponsored by the Women of Christ Church at 1 p.m. Sunday in Lazy Y Arena.

Mrs. James Robert, general chairman, reported there will be ample free parking space in Lazy Y, located one-half mile off US 90 on Kiln Road.

Over 100 entries have been received from Tennessee, Texas, Alabama, Florida, and locally. Miss Betty Younger, owner of Lazy Y and coordinator of the show, remarked that local persons attending the show will watch some of the most expert horsemen in the Deep South perform.

Trophies and prizes will be awarded in all 19 classes including silver planners to winners in the equitation, gaited, parade, and walking horse classes. In addition, silver buckles will be presented winners in the stake races, stock horse reining, barrel races and roping classes. Six ribbons will be awarded winners in each class.

Judges are R. C. Hughes, Jackson, Miss., member of the approved Tennessee Walking Horse Assn.; Mrs. W. R. Walker, Lake Charles, La., American Horseshow Assn.; and Frank Ladato, New Orleans, La., Qualified and Approved American Quarter-horse Assn. Entries will be accepted until 1 p.m. Sunday and decision of the judges will be final.

George Douglass of New Orleans will be master of cere-

monies. Ringmasters are R. J. Patterson and Mrs. William Fobelman. James Mayfield, Jack Seuzeneau, W. Hinson, Wallace Dapire, Nick Truxillo and R. J. Madden will act as paddock judges. Mrs. Mildred Lillard of New Orleans is serving as ring secretary and Jim Hammond of Pineville, Miss., will serve as ground committee chairman.

Classes to be exhibited are: quarter-horse, halter class, (open); Shetland ponies for children; Adult English pleasure; Adult Western pleasure; Amateur Tennessee Walking Horses; five-gaited, (open); Western equitation, (riders 15-years and under); parade horses; English equitation, riders 15 years and under; stake races, (open); Tennessee Walking Horses, (open competition); three-gaited, (open); matched pairs, Western a title; juvenile Tennessee Walking Horses, riders 18 years and under; stock horse reining, (open); Barrel race, juniors 15 years and under; Senior barrel race, 16 years and over; jumping class; and extra calf-roping.

Wild Goose Feast Delights Gun, Rodders

"We must go where the wild goose goes" sang local sportsmen as they flocked to the KC home Monday night to partake of a wild goose banquet given by the Gun and Rod Club. Fifty-five members attended including 14 new recruits. Invocation was by honorary member the Rev. Kevin Reid.

President Bert Stieffell promised a venison supper within two weeks. Having done such a good job of promoting Monday's supper, Donald Dorn was appointed chairman of the banquet committee by president Stieffell.

First in line for seconds was sheriff-elect G. R. Aldridge followed closely by former sheriff Johnny Egloff. Leading the third parade was Frank Tra-

panti. The feast was prepared by Tony Morreale and Gerard Freeman assisted by C. J. Piazza and Ed Murtagh.

New members who signed up at the meeting are Delmar Wilcox, Kenneth Stieffell, Robert Freeman, Father Reid (honorary), Theo Tudury, H. Guenard Jr., Lucien Perniclaro, Henry Pulizzano, Lucas Pucheu, Norvin Kelly, Morreale, Freeman, Piazza and Murtagh.

Fernandez on Board For Finucane Stop

Robert P. Fernandez, seaman apprentice, USN, son of Mr. and Mrs. Louis J. Fernandez sr., of 104 N. Johnson Ave., was serving aboard the attack aircraft carrier USS Lexington when the Charles C. Finucane, assistant Secretary of Defense for Manpower, Personnel and Reserve, boarded the ship Oct. 20, off Taipei, Formosa, for a first-hand look at the attack carrier force.

During his one-night visit Finucane conferred with top U.S. 7th Fleet commanders and witnessed flight operations and simulated "attacks" on the Lexington.

Hawks Stop Brooklyn

North Central's cagers fooled the experts and defeated Brooklyn 87-77. Saturday night in the Hawks' gym before a SRO audience.

Tuesday night the Hawks traveled to North Biloxi and gave the St. Martin squad a 66-48 whipping but the girls ran into a powerful team and dropped the opener 48-25. The Hawks undefeated record stands intact and the lads are prepping for a tough conference game tonight with Ocean Springs. North Central supporters believe they have the strongest team in the conference and have been looking forward to tonight's game to see how the Hawks measure up in conference play.

Brooklyn is reported to have one of the most powerful squads in the state. Last year they were in the play-off for state championship and won the Number 3 slot and observers figured the Hawks to be at least a 10 point underdog. Brooklyn beat Harrison Central a couple of weeks ago by 22 points but this didn't bother the Hawks and they served notice that they were shooting for the state championship this year.

The Hawks made every quarter a winner except the last when Coach James Johnson gave the first stringers a rest and let his reserves get some experience on the firing line. They led 54-30 at the half. Score by quarters was: N. Central 24 30 22 9 - 87 Brooklyn 18 12 20 27 - 77

Donald Necaise led the scoring for the Hawks with 27. Douglas Necaise made 21, John 12, Wayne 12, Berlin 12, Ulysses Ladner 3 and Donald Ladner 2.

For Brooklyn Terrell Hill rang up 31, Ford Turner 20, Charles Fortenberry 14, Glenis Walters 8, Wayne Turner 4 and Bill Lee 3.

The Hawkettes upheld North Central's reputation giving the St. Joseph girls of Pass Christian a 33-23 shellacking Saturday. Score by quarters:

N. Central 11 17 5 0 - 33 St. Joseph 6 2 8 7 - 23 Bonnie Sue Peterson was high scorer for the Hawkettes with 24 and M. Ladner led the St. Joseph squad with 8.

The St. Martin squad was tough and play was fairly even in the first half, North Central holding on to a slim 26-22 lead. But they came back strong in the third period to score 20 points while holding St. Martin to 9. This was St. Martin's second defeat of the year, having lost only one game to Leaksville by four points.

Douglas Necaise was high scorer with 20; Donald made 17, Wayne 11, Barney 9, Berland 4 and John 2. Eulice Ladner rang up 3.

Score by quarters: N. Central 15 11 20 20 - 66 St. Martin 12 10 9 17 - 48

The Hawkettes tied up with one of the strongest girls' teams in the area, according to observers, and had their hands full. Star of the squad is Joan Fountain who usually scores more than 30 points a game but the North Central girls held her down to 21. High scorer for the Hawkettes was Janell Ladner with 10. Ella May Ladner made 8 and Bonnie Peterson 3.

Score by quarters: N. Central 2 11 6 6 - 25 St. Martin 12 10 20 6 - 48

Takes Dog Contest

M. M. Capps, self-claimed "old dog", won the Hound Dog contest at the A. and G. Theater Sunday evening in recognition of the showing of The Hound Dog Man starring the Fabulous Fabian.

Manager William E. Monroe announced that the contest is the first of similar ones planned for the future.

Bay Hi Cagers Meet Pass In Season Opener

Bay High's varsity basketball squad goes into action Tuesday night meeting Pass Christian in the Tiger gym for the season opener.

Coach Wilmer Seymour is drilling the squad, trying to make up for lost time. The season was scheduled to open Nov. 21 with North Central and another game was to be played with Harrison Central on Nov. 23 but both were postponed because of the football playoff with Long Beach.

Rebel Riders Entertain Before Fairground Grandstand Sunday

Sunday was a red letter day in the lives of the Rebel Riders of the Lazy Y stables owned by Miss Betty Younger. The drill team comprised of 18 children and teenagers ranging in ages 9 to 18 were invited to exhibit their talents at an open house preceding the opening of racing at the Fairgrounds track in New Orleans.

The open house featured a style show, yearling show, parade of well-known handicap horses and festival queens from all over Louisiana from which the Sugar Bowl queen was chosen.

The Rebel Riders, led by Miss Younger, drilled before the club house and grandstand and then did their well-known square dance on horseback. A writer for a New Orleans paper reported this "a novelty well-worth watching."

SJA Open House Draws Capacity Crowd Monday

The gymnasium at St. Joseph's Academy was packed to capacity with beaming parents for the semi-annual Open House Monday night.

The entertainment consisted of a choral reading and pledge of allegiance to the flag by the fifth grade, a flag drill by the first grade, a dance by a group of attractively costumed little first grade Indians, a hilariously humorous skit, Gold-bones and the Three Ghouls, by members of the senior class and two choral readings by the third grade.

In conclusion the Rt. Rev. Msgr. Maloney delivered a brief, witty and interesting speech on the necessity of religious education in our schools today, stressing the point that religion and morality are indispensable not only in learning how to live, but also in earning a living. He thanked the Sisters of St. Joseph for the wonderful work they have done and are doing with the children.

TENSE MOMENTS - Teeth enamel took a powerful beating during the final moments of Bay High's 20-19 win over Long Beach. It wouldn't be hard to guess the thoughts of Superintendent J. D. McCullough and these Bay High students.

LaFrance Runs Ball For Tying Touchdown

(Cont. from Page 1.)

On the next play Peterson fumbled and hit halfback Barry Stephens with a touchdown pass. Gregory Necaise did a good job replacing Jim Mayfield, out with a bad foot, and kicked the Tigers to a 7-6 lead.

Necaise's kickoff went to the 15 and Jim Reynolds returned it to his 40. Simmons hit the right side for 5 and Allen went through right tackle for first down. Halfback Oscar Daniels broke clear and headed for pay dirt but a flying tackle by Watts brought him down on the 5. Simmons made 1 and Cooper went for the TD. The kick was good but Long Beach drew another in a long series of penalties and had to do it again. They led 13-7.

Watts returned the kickoff to his 30. Stephens went around left end for 5. Peterson's pass to Stephens was incomplete. Stephens was dropped on the 24 for

a loss and Watts punted with Long Beach taking over on the Tiger 40. Simmons tried right end but ran into Watts and the Bearcats were penalized 15 yards for illegal use of the hands. Simmons fumbled and Paul Henley fell on the ball, recovering for the Tigers on the Bearcats' 45.

Watts hit center for no gain. Stephens' pass to Bernard was incomplete but Peterson flipped a screen pass to Watts who cut to his right and ran through the whole Long Beach team for the tally. The kick was blocked by end Joe Mullins and the score was tied, 13-13.

Taking the kickoff, the Bearcats marched to the Tiger 35 where Bay High took over on downs. The Cats had made two first downs despite 30 yards of clipping penalties. The Tigers were held and Watts punted to Allen who was stopped on his 39. Behind beautiful blocking, Daniels skirted left end and got to the Tiger 19 as the half ended.

Early in the third period a bad break almost cost the Tigers the game. With fourth and 5 from his own 25, Watts dropped back to punt but Ronald Nelson blocked the kick and Long Beach took over on Bay High's 2. Simmons went over for the TD but the kick was blocked. The Cats led 19-13.

Bay High recovered a Long Beach fumble on their own 40 and marched to the Bearcat 20 but after two unsuccessful pass attempts, lost possession. Long Beach was held and their punt went into the Long Beach stands, going out of bounds on their own 45. The Tigers drew a penalty for illegal procedure and it was first and 15 for the Tigers on the midfield stripe at the end of the quarter.

With the Bearcats leading 19-13, the Tigers felt the game slipping away. Mustering their forces and sparked by Watts, Peterson, LaFrance and Stephens they powered to the Long Beach 9 picking up 3 first downs. The officials called for the chain gang and it was another first down. The crowd went wild as LaFrance charged through from the 4 for

Mayfield Wins Lineman of Year For Conference

Despite an injured foot that kept him out of the Bay High - Long Beach playoff, big Jim Mayfield, 200-pound Tiger junior tackle made the All Gulf Coast Conference gridiron team and was selected outstanding lineman of the year in the conference. The announcement was made from the field Friday night after Bay High defeated Long Beach 20-19 for the conference championship before an overflow crowd.

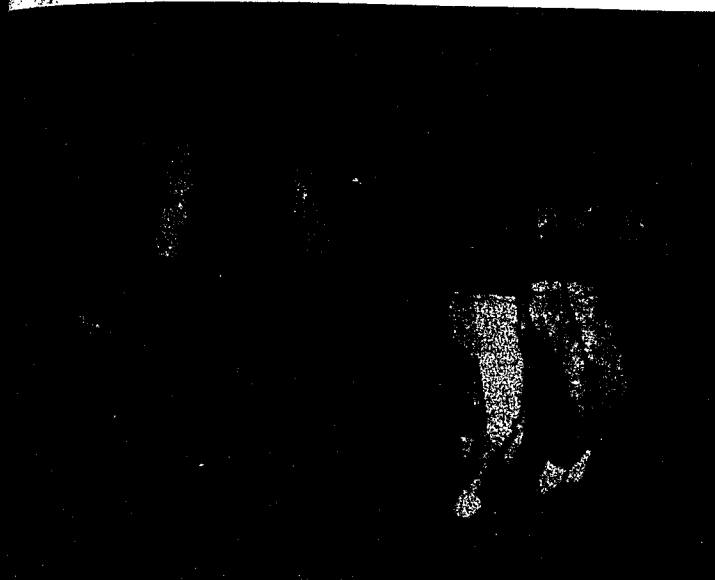

Observers were treated to a look at some fine quarterbacking by the Bearcats' 135-pound senior field general, Pete Allen, who won the outstanding back honors.

From Bay High, Bill Watts, Woody Alliston and Gerald Favre made the All-Conference team while end Milton Bernard joined Mayfield in the line.

From Pass Christian were backs Harry Bishop and Butch Tillman and end Buck Ladner.

The Bearcats came back strong but the Tigers gave ground sparingly and were in possession in Long Beach territory as the game ended.

POPULAR PROPHET - Coach Lance Lumpkin brings cheers at Friday afternoon's pep as his well-proven statements of Bay High's ability and readiness for their championship

HE MADE IT! - A nerve-tingling run by a Bay St. Louis Tiger brought these sideline and team members to their feet with cheers during Friday night's exciting game.

After two more first downs, Bogalusa punted to the Stanislaus 34 but Parker intercepted one of Loiscane's passes and it was first and ten for the Lumberjacks on the Stanislaus 33 with 2 minutes in the half. A beautiful pass put the ball on the Rocks' 2 and a short pass to end Nathan Bush was good for the first tally. Parker kicked the extra point. The half ended with Bogalusa in possession on the Stanislaus 20.

The Lumberjacks took the kickoff to open the second half and promptly marched to a TD. Parke kicking over from the 2. The kick was no good and the score was 13-0.

With third down and 4 to go, a pass by Loiscane was intercepted by May who scooted to the Stanislaus 1 from where quarterback Richard Cothran went for another TD. The kick was good and the Rocks' trailed 20-0.

The Rock-A-Chaws fought back gamely, marching to the Bogalusa 29. A 15-yard penalty for holding moved the ball back to the 44 but Robert Lebrano's pass to Loiscane was good for a first down on the Lumberjacks 22. Buddy Kimble made 3. Loiscane 4 and 4 and first down on the 11 as the third quarter ended.

On the first play of the final quarter Artigues ploughed through for the first Stanislaus tally but his kick was blocked and the score was 20-6.

Shortly after taking a Bogalusa punt, Loiscane cut loose around end for 22 yards and the Rocks were moving again. Artigues found a hole and went 37 yards for another TD. The kick was also blocked and the final score was 20-12.

PRESIDENT OF THE BOARD OF SUPERVISORS

BE IT ORDERED by the Board that the Board adjourn.
JACK LOTT
President

The duck season opened with a bang but it wasn't a very loud one. When the noon whistle blew Friday a number of old time hunters were hidden in their favorite spots but few came home with a supply of birds. Warm weather was the culprit and it was reported by an informed source that there was more shooting at the Stanislaus' turkey shoot Sunday afternoon in Stanislaus Stadium than in the marshes.

Fishing has been good - according to the weather conditions. Lures and live shrimp are the proper bait for this season and trolling along the banks of the Jordan and Pearl Rivers, as well as the various bayous, is paying off in trout and redfish. A popular rig is a light lure trailed by a bug.

The recent cold snap caused leaves to fall from the trees giving squirrel hunters more opportunity to see their prey and the redents are beginning to show up on sportsmen's tables.

Frank Embrey was a guest of Ben Hill sr. Saturday on a successful fishing jaunt up the Jordan. They used a Fisherman's Favorite trailed by a popping bug and brought home 25 trout, one 5-pound red and one flounder. The total catch weighed 42 pounds. Ben lost one red that "took line and everything". They went back Sunday but things had slowed down. Ben says he has caught more fish already this season than all last year.

Teddy Morel went out Sunday morning but no luck. Little Willie Bordages caught his share of specs in Bayou Caddy.

John Rutherford, Lucien Kidd and Warren Buehler were reported in Leakeville hunting deer. Another Gun and Rod banquet maybe?

Ernest Marquez has become quite a fisherman and came home Saturday with some nice green trout caught in the vicinity of Ansley.

Ellis Cuevas reports that "they really slaughtered the mullets Sunday in Waveland". Horace and James Ruhr, Nerven Penrose, Brewster Mollere and Edward Fayard sr., get all they wanted off the municipal pier. A redfish weighing about three pounds was caught by Norvin in his cast net.

Ray and Louise Stewart were seen trolling in the Jordan over the weekend before 6 a.m.

Argle Mitchell says he used to fish with a couple of cajuns from Louisiana and one day they came home loaded with trout. When they went out again, Boudreaux wanted to go to the same spot but Gaston was doubtful about finding the lucky hole. "Don't worry, man, I put my mark on the boat where we were so I know where to go next time", Boudreaux said. "Man, you crazy", Gaston replied. "Now you know we get same boat, eh?"
